Penang

# ***KEY PRODUCTS AND SERVICES***

EVNETICS will project manage the pre-inspection, product selection and installation of EV chargers, making EV journey as easy as ABC for the clients.

# **CONDOMINIUM / APARTMENT SOLUTIONS**

# ***BENEFITS***

## Why install EV chargers at your building?

Increase your return on investment by generating revenue from electric vehicle charging.

Enhance the value of your property. Plus you can scale your charging operation easily with our smart installation options.

As EV adoption accelerates, so too will your occupancy rates!

Attract high income EV owners to rent or purchase units at your property.

# HOW IT WORKS?

## Steps to Installing EV Charging at a Apartment/Condominium

Survey your residents and get their approval

Check if the building has sufficient electrical capacity

Charger installation, commissioning and payment gateway setup

Monthly report and payment before 15th of every month.
